It is recommended the invitation to comment on the nomination of a DIS officer be placed on hold. NSA is supposed to recommend two people for the two Staff vacancies and a better prospect may surface. The OSD nominee seems to be light on adjudicative experience and one of the primary functions of the job is running the adjudicators' seminar.

1-3: I don't know [redacted] But he appears to me to be well grounded in investigations. I have heard from [redacted] that one of the two NSA candidates is being offered to SECOM in the third time. I see no overriding reason to recommend against [redacted] appointment.

23 I am inclined to agree with [redacted] It appears to be available for the job. See 3 to 4. I would suggest we interpose no objection to [redacted]

No objection —
